PLAY PASSPORT TO PRIZES!

Registered attendees and presenters eligible to play!

What could be easier than earning chances to win great prizes just for visiting with our exhibitors?

NNECOS corporate members and exhibitors provide support vital to the mission and activities of NNECOS throughout the year. Please take the time to engage with them and thank them for their support!

Here's how the Passport to Prizes game works:

- Sign-up for a Passport Sheet at the registration table, recording your name next to the assigned number on your game card.
- Visit with exhibitors and poster presenters throughout the day - remember to ask them to stamp the rectangle with their company or poster name.
- Earn one "ticket" for each rectangle stamped, plus bonus opportunities (see below).
- When you're finished playing, check in at the registration table to receive your tickets for the drawing (we recommend visiting between the afternoon sessions). Write **your number** on the back of each ticket for identification purposes.
- Prize winners will be drawn at the start of the networking reception (4:20pm).
- You must be present to win the Grand Prize and 2nd Prizes
- You need not be present to win gift cards

Ticket Bonus:

- Bonus of 5 tickets if you complete the 4 corner boxes
- Bonus of 10 tickets if you complete all border boxes (perimeter of grid)
- Bonus of 25 tickets if you complete entire passport!

Prize winners will be drawn at the start of the networking reception (4:20pm).
